## COAL FIRED

Our dough is made in-house, hand-formed to order and coal-fired to deliciousness! Our pizzas start with a blend of high caliber mozzarella and provolone cheeses. Baked in a true coal-fired oven, our pizzas have a crisp, slightly charred crust and chewy center. Enjoy one of our specialty pizzas or build your own masterpiece!

## CATERING MENU

Our coal-fired oven is a hallmark of both West Virginia culture and pizza history. The very first pizza oven in America was fired by coal, and we use domestic Anthracite, which burns virtually free of smoke and particulate emissions.
